MAKE CPO YOUR COMPUTER HEADQUARTERS

Is your computer lab running extremely slow?

Is your budget stretched and do you want an extra year or two from your current equipment?

Are you still running Windows XP and want to upgrade to Windows 7 Pro without replacing your hardware?

CPO can provide you with technicians who can refresh your computers and perform the following:

Digital Integrated Systems, Inc.

- Install Windows 7 or Windows 8
- Backup your PCs
- Format your hard drives
- Install all Windows Updates
- Install Adobe Flash
- Install Adobe Reader
- Install latest version of Java
- Join the PCs to your network
