

Has Your Flag Seen Better Days?

Proper flag etiquette states that worn and tattered flags should be replaced

CPO proudly carries top-quality, U.S.- made Flags from 

What Size Flag Should I Use?

According to popular usage, the length of the flag should be between one-quarter and one-third the height of the flagpole.

ANNIN Outdoor United States Flags

A wide selection of flags is available to satisfy all tastes and budgets. Whatever your choice, you may be confident that you have selected a flag of unsurpassed quality and workmanship. Additional sizes are available; Call for details.

Nyl-Glo Model

The best nylon U.S. flags you can buy! Features totally new dye and coloring process that make the dyes colorfast and fade resistant. Also guaranteed to remain colorfast for at least one year or Annin will replace it with a new flag at no charge.

Bulldog Model

These traditional cotton flags feature densely embroidered stars, sewn stripes and hems, and strong polyester headings. Bulldog flags are made from extra strength cotton weave designed to resist the elements.

Tough-Tex Model

Exclusive 100% 2-ply, spun woven polyester fabric, ideal for high-wind areas. These flags have bright, fade resistant colors with true fabric feel and looks. Guaranteed to remain colorfast for at least one year or Annin will replace it with a new flag at no charge.
