PSI991

Phoenix 990 Series Front Loading Depository Safes

Phoenix depository safes are designed to protect the collection of money, where immediate deposit is required without unlocking the safe or requiring a cashier to hold keys.

- Depository body is constructed with 1/4" steel plate
- Door is 1/2" solid steel and is reinforced with hardened anti drill plates over the locking area
- Models PSI992 and PSI992E have a separate lockable deposit chamber inside
- Large capacity drop area can accommodate money bags, envelopes, packages and deposit capsules
- All safes are predrilled for bolting to the floor
